

Independent Children's Services

Reconstruct is a leading supplier of a range of children's services. We work with children, parents and carers, practitioners, managers and directors which gives us a real insight into your needs from all angles. We have contracts to run services for 11 local authorities and a residential school and deliver independent visiting, advocacy and participation services. We are involved in a number of initiatives relating to the Children and Young Person's Act 2008 including Right2B Cared4 and Children's Councils.

We would be very pleased to apply for future contracts with your authority and we would be grateful if you could confirm that we are on your list of possible providers, or let us know what we need to do to be on the list. We can also provide services to individual children on a spot purchase basis. If you would like to find out more about what we do please contact me, Jenny Raynes, Director of Independent Children's Services at jenny@reconstruct.co.uk.

I look forward to hearing from you.

Jenny Raynes
Director of Independent Children's Services
