

Regulation 44 Independent Visits for Children’s Homes (England)

Reconstruct provides comprehensive Regulation 44 Independent Visitor services for Children’s Homes across England, delivering high-quality oversight, safeguarding assurance and constructive support. Our experienced consultants offer objective evaluations designed to strengthen practice, leadership and compliance with Ofsted expectations.

Regulation 44 services, include:

- Monthly Regulation 44 Independent Visits
- Thematic or targeted assurance visits
- Internal quality assurance of reports to ensure consistency, accuracy, and high standards across the service
- Quarterly meetings between the provider and Reconstruct to review how the homes are operating, share updates, and discuss any emerging themes

Each visit is conducted by sector experts who thoroughly assess the quality of care, children’s experiences, staff practice and management oversight in line with the Children’s Homes (England) Regulations 2015. Our Independent Visitors bring a balanced approach, offering rigorous scrutiny while supporting the home’s ongoing development.

After every visit, Reconstruct produces a clear, detailed Regulation 44 report, highlighting strengths, identifying areas for improvement and providing practical recommendations that promote continuous improvement and regulatory compliance.

We have an extensive pool of consultants, enabling rapid provision of interim cover in emergencies, ensuring continuity of oversight and consistent service delivery.
