

Ofsted Fit Person Interview & Registration Assessment Preparation

Reconstruct provides expert consultancy services to support leaders and managers preparing for the Ofsted Fit Person assessment and for Responsible or Nominated Individuals preparing for Registration Assessment. Our experienced consultants offer structured guidance, practical preparation and confidence-building support to help applicants demonstrate the knowledge, competence and leadership required by Ofsted.

Our preparation services include:

- Mock Fit Person interviews using Ofsted-style questions and scenarios
- Practice Registration Interviews with detailed feedback
- Assessment of competency gaps and tailored improvement plans
- Guidance on the regulatory frameworks, Regulations and Standards
- Support in evidencing experience, leadership capability and fitness to manage
- Training on key inspection themes such as safeguarding, risk management, quality assurance and culture
- Coaching to improve clarity, confidence and interview readiness

All support is delivered by senior social care consultants with extensive regulatory, leadership and care/support experience. Our approach blends coaching, mentoring, training and reflective preparation, ensuring applicants are fully equipped to meet Ofsted expectations.

This consultancy helps leaders to:

- Understand the structure and expectations of Ofsted assessments
- Strengthen their ability to articulate leadership decisions and safeguarding oversight
- Demonstrate fitness, capability and compliance clearly and confidently
- Prepare evidential documents and examples aligned to Ofsted requirements
- Reduce anxiety and improve overall interview performance

Flexible preparation packages are available to meet individual needs and requirements, including one-off sessions, short intensive programmes and extended mentoring.
