

Independent Monitoring Visits – Wales

Reconstruct provides robust, high-quality Independent Monitoring Visits for Care Services and Homes across Wales, ensuring strong oversight, regulatory compliance and continuous improvement. Our experienced consultants and auditors deliver objective scrutiny alongside supportive guidance tailored to each provision.

We offer a full range of monitoring visit options, including:

- Monthly or bi-monthly Independent Monitoring Visits
- Thematic monitoring visits focused on specific areas of practice
- Emergency or cover visits when urgent or interim support is required

Each visit is carried out by sector experts who analyse practice, leadership and organisational culture in line with the Regulated Services (Service Providers and Responsible Individuals) (Wales) Regulations 2017. Our Independent Monitoring Visitors provide clear, evidence-based insights to strengthen safeguarding, quality of care and service delivery.

Following every visit, Reconstruct produces a detailed monitoring report, offering practical recommendations and highlighting areas of good practice to support ongoing improvement.
