

Fostering Assessment Consultancy for Independent Fostering Agencies (IFAs) - *Expert Form F Assessments, QA, and Panel Support for IFAs Across the UK*

Reconstruct specialises in providing high-quality, reliable assessment support exclusively for Independent Fostering Agencies. Our senior social work consultants deliver robust, analytical assessments that help IFAs maintain compliance, improve placement outcomes, and manage fluctuating staffing or demand.

We offer flexible, capacity-building solutions designed specifically for the needs of IFAs—ensuring consistency, quality and timely delivery.

Our Services for Independent Fostering Agencies:

Form F Assessments (Parts A & B)

- Skilled, experienced assessors completing high-quality:
- New foster carer assessments
- Family & Friends / Connected Persons assessments
- Viability assessments
- All written to a high analytical standard and ready for panel.

Reconstruct can also support with Complex & Specialist Assessments, including Allegations and standards of care reviews, Risk-focused assessments, Permanence and SGO-related work. Our expert consultants are able to handle sensitive or high-risk cases with confidence.

Our Senior assessors have extensive fostering and safeguarding expertise. They consistently produce high-quality, analytical reports that are child-centred with guaranteed professional standards.
